27th & 28th July 2023
(GMT -4)

Time Zone: <https://fusohorariomundial.com.br/c/brasil/cuiaba>

This document is to provide all the necessary travel information for guests attending Chief Raoni's event.

The information below is to ensure that everyone arrives in good time and in the most convenient way.

As this meeting is taking place inside the Xingu Indigenous Park, It is vital that extra care must be taken to protect the health of the indigenous population. Being winter in Brazil, there is an increased risk of viral infections and so we request that you test for COVID no more than two days before arrival in Piraçu, where test results must be provided. It is also recommended that you are vaccinated against yellow fever.

Piraçu is 42km from the municipality of Sao Jose do Xingu, in Mato Gross state. The village can be reached by the MT-322 road. Piraçu is 476km from Sinop; 952km from Cuiaba, the capital of the state.

Most flights to Sinop airport arrive at night from international airports in Sao Paulo (Guarulhos), Brasilia and Cuiaba in Mato Grosso.
